Principal's Message

Please Wear a Face Mask

Help Stop the Spread

Please can we ask that you drop your children off at your designated time. We appreciate that some of you may have siblings that need to arrive at different times, to help you we will have staff in the junior playground from 8:45 so you can therefore leave the school site as soon as you have dropped children into the playground.

If for any reason you feel that you need to wait until they go into class, parents must wait under the trees and off of the tarmac area to reduce congestion and cross

contamination.

At the end of the day, please leave school site as soon as you have collected your child/ren

Don't forget to wear your mask on the school site also.

Please do not allow your children to play on the play equipment in the playgrounds.

The new NHS COVID-19 app, now available to download for free in England and Wales, is the fastest way to see if you're at risk from coronavirus. The faster you know, the quicker you can alert and protect your loved ones and community.

The app has a number of tools to protect you, including contact tracing, local area alerts and venue check-in. It uses proven technology from Apple and Google, designed to protect every user's privacy.

You can download it from <https://www.covid19.nhs.uk/> or go to your devices app store and search for NHS Covid-19

PE Kit

As the weather forecast for the next few weeks includes a lot of rain please remember to send your child to school on PE days with appropriate outdoor kit.

This includes a spare pair of trainers, a waterproof but warm jacket (not their usual outdoor coat), jogging bottoms and a house coloured t-shirt (these are available to buy through the school app).

We obviously will not go outside if the weather is really bad, however, we will continue to make the most of outdoor learning whenever we can!

Class Dojo

We would like every family to have the above badge awarded to them for being so engaged with our new Class Dojo app.

We now have EVERY child connected to a parent.

Please make sure you have read the code of conduct that Mrs Woodhouse has uploaded to the Stories section. It is also available on our website on the policy page.

We will add events too and don't forget you will get messages from Mr Hart to let you know your child has earned their next badge.

If your child has to self isolate we will be sending work through Class Dojo and you can send it back to the teachers.
